### Prosperity Breakthrough!

***Affirm ~ I realize true prosperity as I open my heart to the goodness of God.***

Are you ready to end worry, fear, and frustration about your money, health, and relationships once and for all? Could you find value in having a system of foundational spiritual principles you could use to build a life of permanent and lasting abundance? Are you ready to be initiated into the spiritual principles of wealth creation that will help you build and strengthen a consciousness of abundance? How might it feel to be well on your way to becoming a proficient, competent, and confident wealth builder?

Prosperity is a cultivation and development of the principles of abundance within you. It is not about woo-woo practices nor is it a get-rich-quick scheme. In our summer lessons you will be introduced to key principles that will lay a foundation for increasing a consciousness of abundance within you. You will receive practical take-aways that you can put to work immediately to grow the depth of your spiritual understanding about creating abundance including:

We'll take a look at which spiritual forces generate prosperity.

You'll see how to strengthen prosperous attitudes rather than continue to use those that can keep you stuck in lack.

You'll learn the correct spiritual attitude toward desire (and especially toward money).

We'll identify the three ideas about money you should get rid of immediately in order to prosper.

You'll learn how to magnetize yourself for increased good in every area of your life.

You'll learn the spiritual law of the vacuum and how it rapidly draws good into your life.

Spend this summer immunizing yourself from inflation, recession, stagnation, lack, loss, illness, heartbreak, and need. You are the rich child of a loving God worthy and deserving of abundance. God created a lavish universe, then created you and placed you in it, and gave you dominion over it.

I hope you'll join me and set yourself on a path that will principle-ize your life for greater abundance and well-being.

With love and abundant blessings,  
Rev. Cherie

## Chaplain's Corner

Elizabeth Rawson

Recently returned from an extended trip, my husband and I were blessed again and again in experiencing such beauty and wonder in this, our amazing country. And, prayers are needed for water everywhere, care and conscious continue for wildfires and reduction of the high winds that prevail across the states.

I saw these words in a sign. I have been very conscious of being present in God's creations as we stood in awe or sat in meditation of the majesty of His nature. As I let go of everything, I become fully present in the moment. I slow down enough to take in the stillness. I am blessed and renewed by the action of Prayer. And yet, often, I rest more easily in Prayer than I do in Faith~

Unity offers us that we each

*have chosen this very moment in time to focus intently on the silent, still power and presence within. As we enter into prayer, let us recognize that all the power and presence of God that has ever been, is now and where we are. In our breath, we recognize power and presence. Immersed in divine peace, all is well with my soul.*

And;

*God is my good. I live in gratitude. I am in the presence and radiating the power of prosperity, here and now. The good I seek is the good that God is, so in this moment I choose thoughts of gratitude. I am an opening for good, a giver of good, going forward in fulfillment.*

I rest in knowing that all is well. I release this Prayer into the spiritual law that responds fully to the Highest Good and I let it be.

And So It Is ~Amen

**AUDIO-VISUAL**  
---team---

Unity of Auburn needs a volunteer to administer our Facebook Live Stream and run the audio-video equipment on Sundays. If you have been looking for a new way to support your ministry, this could be just for you! It is a great job for co-coordinators, so if you and a friend, or friends, would like to split the duties that's also a good option. Please talk to Dave Langley if you are interested. This is one of our most important volunteer positions, so please give it some strong consideration. No prior knowledge of training is necessary. We will be happy to train you on the job.

## Board of Directors

*Kathleen DeMontigny*

Greetings from your board of directors. Summer has arrived and your board has been busy!

Natalie Kimball has secured the refinancing of the UOA mortgage. This will enable us to pay for much needed repairs to the roof of our spiritual home. This was a complex task, and we are blessed to have such a competent financial expert on our board. Patty Davis has worked with our super office manager, Carrie, to secure bids for the roof repairs. Our investment of \$23,000 will guarantee that our roof will be leak free for the next fifteen to twenty years. What a team!

Reverend Cherie and the Thrift Shop Team, including Jan and Dan Williams and Margarita McCown, are well on their way in the **expansion of the thrift store**. Our new space will include fresh décor, more space, a private dressing room and more merchandise! Be sure to stop in to see their progress and keep those contributions coming! We will be bidding a fond and grateful farewell to Tee Devine and her husband, Doug as they move to southern California to be near their family. Tee and Bonnie Newman have done such a wonderful job of increasing the revenue over the past few years. We wish Tee and Doug every happiness in their new home.

Reverend Cherie and our office manager, Carrie, have our new website almost ready for launch. This will be an exciting new face for Unity on the internet. Check it out soon @ [www.unityofauburn.com](http://www.unityofauburn.com). Our AV team, Dave Langley, Patty Davis, Dave Werkley, and Bill Hamre are getting UOA ready to spread our message on YouTube. This involves a lot of research into livestreaming and copyright issues. Their dedication and expertise are unparalleled.

Our super board secretary, Bill Hamre, will be leaving us soon. His expertise and loving support will be sorely missed. We wish him all the best as he moves across the country to be with his family. We see him blessed in all ways. This creates an **empty position on our board**. We need creative, committed people to help the board make Unity thrive. Join us by speaking to Reverend Cherie or any board member. We will gladly share more details about this worshipful service to our community.

At our recent meetings we have brainstormed many ideas for future events and committees to grow our congregation and HAVE FUN! Be a part of our growth by blessing us with your participation and support!

It's hot out there. Be Cool and be Unity!

Love and Blessings to all.

*Kathleen DeMontigny*
